Subject: title commitment for my Noah Carmel In purchase

Sorry for separate attachments. My efax is down so I had to scan each one.

It was only this week I received my First American Title Commitment with the Schedule A, Schedule B and Exhibit A for portion of shares to purchase September 2018 Kindercare, Puyallup, WA.

For Noah Carmel ID. I only have the following attached documents. I am missing the Title Commitment, Schedule A, B and anything else that would be a part of the Title Commitment.

I have never received them.

Will you please provide at your soonest.

Thank you,

Linda S. Camp-Merklin
